

SHAM MATTHEW S

DATA ANALYST

+91 9790099292 shammatthew04@gmail.com | linkedin.com/in/sham-matthew

Career Objective

Motivated and detail-oriented aspiring Data Analyst with a strong foundation in AI and Data Science. Eager to apply analytical and problem-solving skills to extract meaningful insights from data. Committed to continuous learning and adapting to emerging technologies. Seeking an opportunity to contribute to data-driven decision-making in a dynamic organization.

Academic Details

Francis Xavier Engineering College

B.TECH Artificial Intelligence And Data Science

2023 - 2027

CGPA: 7.8%

Higher Secondary School

Assisi Matric Higher Sec School , Pavoorchatram

2021- 2023 / Percentage - 80.3%

Secondary School Leaving Certificate

Assisi Matric Higher Sec School , Pavoorchatram

2021/ Pass

Technical Skills

-
- Programming Languages : Python,sql.
 - Web Technologies : HTML, CSS
 - Tools : Tableau, Excel

Projects

ISTE

P.S.R Engineering College

Successfully developed a smart mask detection system capable of accurately identifying whether a person is wearing a mask. Enhanced the model to intelligently differentiate between proper mask usage and attempts to cover the face using hands. Demonstrated strong skills in computer vision and problem-solving while contributing to real-world safety solutions

Tools : python,jupyter

Intenships

infosmite

Data-driven professional with Infosmite internship experience, skilled in Pandas, Excel, data analysis, and business intelligence reporting. Created dynamic dashboards and visualizations to translate complex datasets into actionable insights and support strategic decisions.

Tools : pandas,matplotlib,excel

GateWaySolutions

AI Intern at Gateway Solutions with practical exposure to machine learning pipelines, data preprocessing, and pre-trained model utilization. Used Jupyter Notebook and Python (Pandas) to integrate and apply pre-trained models, enabling efficient data-driven solutions.

Tools : Notebook, Hugging Face pipelines

Achievements

-
- NPTEL Introduction to Industry 4.0 and Industrial Internet Of Things.
 - JLPT N4 Certified – Japanese Language Proficiency
 - NXTWAVE Learning full stock development

Languages Known

Tamil, English,Japanese .
